Dear Marie,
Well, I guess
we will be graduating
in about two weeks.
Boy, it sure does
seem long since we
were freshmen. We
are a very smart
class together. I wish
you all the happiness
in the world
and cute. Remember me from
all our classes together. I wish
you all the happiness in the world
in the future.
Love,

# CLASS OF '53 HISTORY

FRESHMAN YEAR

When we entered Dobyns-Bennett in 1949, the building was as new to the rest of the students as it was to us. That season was the last year we were state football champs. We tried to enter into school life, as much as possible, by being in Glee Club, marching band, and having a Freshman play, so by the end of the year the upper classmen considered us as bearable, though not wanted or needed.

SOPHOMORE YEAR

The fall of 1950 saw our football team fall in defeat, the first time in three years. We were consoled, though, by thoughts of a good basketball team. The District and Regional Tournaments were held in our new Sprankle Gymnasium, and Kingsport almost became state basketball champs. Later a Chorus Festival in the spring had students aspiring to become opera stars.

JUNIOR YEAR

"Mercy!! Please buy some popcorn!!" was on our tongues as the Prom and Splash Party were on our minds. At all the football and basketball games we were seen wearily trudging through the crowds desperately trying to sell popcorn.

After the midterm exams we were evaluated by the Southern Association of Secondary Schools. We Juniors, thinking we were smart, decided to wear uniforms of some nature to make the committee think we were in an institution.

We were quite awed by the Junior Play, *The Barretts,* but a week later came the big event, the Junior-Senior Prom. No one could ever forget what a glorious time we had. Then came the realization we were Seniors.

SENIOR YEAR

This year we tried to walk around the halls with a dignified air, so we could impress the Freshmen. Of course, we never did quite succeed, but it was fun trying.

Our football team improved greatly, and our basketball team was the best we were priviliged to see. At the last football game of the season there weren't many dry eyes when the Senior members stepped out from the band.

We ordered our cards and invitations with growing anticipation. By the time our Senior Banquet, Prom, and Splash Party were given, we were so excited our parents and teachers couldn't get near us.

May 31 — our Baccalaureate Sermon and June 2 — our Graduation. Those two days we shall never forget. Even though we are now "Alumni" of Dobyns-Bennett, we will always remember the lessons we learned — not so much the material in books, but the principles of honesty, dependability, good character, and leadership. In four years we learned to look at events as an adult would look at them, not a child. There were many sad moments; there were many happy moments. All these things come into our minds when we review our high school days. The love, the guidance, and the friendship combine to make it one of the happiest times in our life.

These are the times that try men's souls!

# JUNIOR CLASS HISTORY

FRESHMAN YEAR

We stumbled into the halls of Dobyns-Bennett in the fall of 1950. We were lost in spite of the good intentions of everybody to guide us around.

We watched the Seniors hold their convention, and then we had one of our own, electing Locke Carter as President.

Our subjects had us worried, because we didn't especially like the idea of dissecting frogs, fish, or worms.

We finished our Freshman year with nothing too unusual happening. We studied and worked, but all in all, we had a pretty good time.

SOPHOMORE YEAR

We came back to Dobyns-Bennett after a busy summer. In fact, some of our teachers got the idea that we didn't want to come back to school at all.

We elected our class officers a few weeks after we returned. They were an ambitious bunch, and we started selling popcorn a year early.

After exams we had a "sock hop" in which everybody appeared in true D.-B. style — barefooted (with socks).

*Town Hall Tonight* was our class play, which was presented at the time our school was evaluated .

"But why don't you want to buy a 10 year subscription to the *Poultry Journal?*" This was the trend of our conversation about the end of school, because we had a magazine drive. We made money on our business venture which we quickly added to the treasury for our Prom.

JUNIOR YEAR

"Goodness! Aren't we the stuff!" How grand it was to be an upperclassman. We just knew the Freshmen were envious of us.

We were old hands at selling popcorn at the football games — although we missed a lot of good plays.

Our class officers were determined to have our class a good one, so we had meetings each month.

We sold popcorn at the basketball games and through all the tournaments until we were beginning to feel like millionaires.

Finally the Prom came — the event we had been waiting and working for. We had a wonderful time there and also at our Splash Party.

June 2! We are finally Seniors.

Pu-lese buy some popcorn!!!

# SOPHOMORE CLASS HISTORY

FRESHMAN YEAR

We came to Dobyns-Bennett in 1951 before school really started. Mr. Kinnick and the Student Council had an Orientation program for us. It helped us find our way around school a little better.

After learning to find our way around the building, we elected our officers with Billy Green as President.

We learned a little bit about studying, but we were too thrilled with our football and basketball games to think much about anything else.

After Christmas we gave our Freshman Play, *Angel Child*. This proved to many of us that we were destined to be great movie stars.

We "graduated" from our Freshman Year accompanied by many misgivings of teachers and parents.

SOPHOMORE YEAR

We thought that our Sophomore year everyone would be more than glad to obey us because—after all we were all—11-most upperclassmen. To our great sorrow, people just laughed.

We elected Winter Wright as President, Jack Kilgore as Vice President, and Linda Hayworth as Secretary, and Charlotte Lee as Treasurer.

Christmas came and went with nothing too unusual happening, but before long we were in the spirit of the Sophomore play, *Antic Spring*. From this we entered into spring with a forward look toward cur vacation.

You can see how Sophomores differ from Freshmen

# FRESHMEN CLASS HISTORY

We entered Dobyns-Bennett in the fall of 1952.

We found the Juniors to be conceited, but the Sophomores and Seniors were friendly.

The first thing we did was to elect class officers with David Lionberger as President, Bill Ford as Vice President, Katherine Sproles as Secretary, and Virginia Denton as Treasurer.

All our subjects were hard, especially 1B Algebra.

Christmas came in time for a much needed rest — but then exams! UGH!

We went to the Student Council Dance and were getting ready to go to the Prom. Then we found out the horrible truth — we weren't invited.

Our Freshman Year went very fast. We met many new friends, we learned a lot, and we had a good time.

Now we are looking forward to being Sophomores.

Our Freshmen always act like this!

when we saw our football team fall in defeat?
when we went to the first Student Council dance?
when our basketball team won the Regional Tournament?
when we started checking off the days in our Algebra II book until vacation time?
when we sold popcorn at all the football and basketball games?
when we went to the Prom?
when we went to the Splash Party and Theater Party?

Dear Marie,

This has really been one more year, hasn't it. You know, as much as I hate to admit it, I'm going to miss everybody. I know you'll never forget the great times we've had throughout Ensemble; such as the mid-night (and after) visitors we had at T.E.A. and the decorated ? fair. Marie, you've changed a lot since you first got into Ensemble last year -- all for the better. I do hope things turn out for the best with (you know who). I just love him to death, and if my interests weren't elsewhere, I'd give you a little competition. If you get him, for heaven's sake hang on to him (you wouldn't).

You've been a good friend, and I appreciate it from the bottom of my heart. Unfortunately, though, I'm not as gifted at writing books as you are, so I'll just wish you the best of luck and sign my name.

Well it looks like this is just about it. Nothing happens. Nevertheless its been wonderful knowing you and having your friendship. I can never forget our year in Ensemble. Its been fun, no-fun, and any-other way you want to describe it. I will never forget our talks about theretiring to quit. I'm sorta glad I stayed now though. Also how can I forget our trip to Knoxville and the Arnold Hotel. I'll never go on another hotel roof again as long as I live! It was fun though wasn't it? Marie thanks a million for taking all of my kidding as you do and have. You're a wonderful sport and you always knew I was kidding didn't you? Well I was. You just forget about me kidding about the mountain trip because I was just having fun as usual. Marie remember me always and I will you. Best of luck and may the best of all Come your way. Many years of happiness. Always, Jimmy Boy

I don't know how to start. Right a full page. But I can't begin to express to you the best that a girl like you could have in your future. It has been nice knowing you and going with you to E. T. L. A. We had a lot of fun even though I did. Hutchison when I came down the stairs that night.

So bad you can't be with us next year to enjoy the fun. How are you and Stanley getting along.. Remember the Knox Trip last year. You were with Alan Duncan, but this year you had Stanley Johnson. This ol' I can think of so long for now and be good

# "GINAYLI UTWATLAUH"

Early explorers called it by its Indian name, Peace Island — the three-mile-long island in the Holston River that is now Kingsport. The Cherokee nation occupied the valley of the Holston and at first was friendly to the white man. The first party came in 1748 under the leadership of Dr. Thomas Walker, intrepid pioneer explorer. Two years later he started a permanent settlement near the site of historic Rotherwood, once the home of John B. Dennis, founder of the Kingsport Utilities.

Translated into the Cherokee language, Peace Island becomes "Ginayli Utwatlauh," and sometimes they called it "Ecwa Utwatlauh" or Long Island. Here they made encampments, lit their council fires and made treaties. From "Ginayli Utwatlauh" radiated the war and trading trails of the Indians.

Even today Peace Island or Kingsport is continuing to blaze new trails and has developed more rapidly than any comparable city in the state.

The employees of the Kingsport Utilities, many of whom have helped in the building of this community, extend to the graduates of Dobyns-Bennett High School their sincere congratulations.

Dear Marie

I must say that I enjoyed you next to you and I don't know how I will get along without you. You have been a sweet pal and I will always remember our little talks and discussions. I am wondering if we will be in Ensemble next year and I am so scatterbrained and Miss Hutchinson is so on having somebody that is very dependable. I will think of you next year when I am a degreed senior. I will always remember Ensemble and the practice we had to do. My best year in D.A.-L. has been this year and you have helped make it so. You're one so pretty and have such a good personality. I hope you go far with S.J. He is wonderful. I'm glad not for him though. Well, this is just about all I know to write except I say again that you have been a wonderful friend to me and I have really appreciated it. I hope this isn't the last we see of you and that we can be friends always. Be good and don't do anything I wouldn't. Lots of luck to all. Love and happiness. Lots of love always.

Yours truly Jane

Hello Marie —

From one good-looking girl to another — from one good alto to another — from one cute girl to another — (from one lying girl to another) it's been great!! Now our four years are nearly up — thank goodness — and we are ready to go out into the world and earn our living either taking shorthand or singing, so I guess we'll probably starve! Don't ever forget our Knoxville trips — all four of them. You were a kill-joy the first one, I didn't see you the 2nd or 4th one hardly any, but boy! I've made up for it all last fall on our third trip! Remember how you and Ina and I wandered around the streets at night — you with your bedroom shoes + bracelet, Ina with her bracelet, and me with my ash tray + bracelet? It's too bad you all don't smoke!!! Someday I'm going to tell everyone about that trip and then you'll be embarrassed!! (So will I, I'm afraid) remember the toilet paper hanging on the fan and our trip to the roof? We really had fun even if Ina + Wilma did go to sleep. I'm going to miss that trip next year, aren't you. I don't believe I will miss the practice, practice, practice or some of Marie's snotty remarks. You probably think I mean you but I don't. I'll never forget how tickled we got at Ridgefields, or how much fun we had at those other dances. Our song is "Manhattan" ain't it. Don't care if nobody else likes it. Well, that just about all, but you may get an invitation from me someday not too far in the future, and I hope you'll get "the man" you want. Be good, careful, etc. and I hope you'll always be a success. I know you'll make a good team — alto + bass!

Love ya!

Your ole pal + Roommate,

Well, Kiddo!

I sho'am gonna miss you much yeah. It won't seem like "Ensemble" with you and the rest gone. Don't forget our goods times, for example, Knoxville. As if you could forget! Well anyway I wasn't running around on a roof at 3:00. Remember our shopping and (lifting?) Have you broke them slippers in that you bought. >He He Don't forget how "swiftly" we were walking down the street, for some reason, and met Miss Reed. See whiz. I didn't realize I would miss you so much, until I started remembering all our episodes. We didn't have such a bad time on our last trip, did we? Our trips were wonderful and I think you are too. I'll always remember you as one of the swellest friends I ever had.

"Ina"

Best of luck
